We have identified community partners that will assist us in providing career development and role models. The partners are The Haiti 10-year Commission Project (Marsha Allen, Executive Director), Rochester Police Department, Rochester Fire Department, Monroe County Sheriff's Department, Monroe Community College, University of Rochester, Generation Outreach, Educational Opportunity Program-Brockport State College, Howard Hanna Realtors, and Powerhouse Church of God in Christ.

Our Vision: Boys To Men Community Charter School will collaborate with parents, staff, student and the community to build life experiences and the character traits of caring, respect, responsibility, accountability, trustworthiness, fairness and citizenship to ensure students the foundation to achieve their educational and life goals.

Our Mission: Boys To Men Community Charter School will empower young male students to become self-motivated, responsible, and educated. They will acquire and develop the required skills to successfully graduate and be prepared for college and careers.

School Overview: Boys To Men Community Charter School will provide a comprehensive, coordinated student-oriented education program for boys in grades 6-12. Students will wear uniforms daily. The school's program is designed to provide remediation and/or instructional support to all students in need, contingent on data. Our school will have an extended school year of 220 days and a longer than normal school day from 8am to 6pm. This time schedule includes our structured after-school extended day learning activities for students. A structured homework assistance component and one-on-one tutoring will be provided by staff, mentors, and volunteers. A Saturday School and Summer Enrichment Academy (8 weeks) will be available for additional instructional support and enrichment. Our school will provide alternatives to traditional suspensions, such as service in the community and in school projects. Our program will develop individual college/career planning that will provide students with the required skills to design and be prepared for their life and educational goals. Parents will be able to visit our website to see their child's portfolio electronically. Please visit our website at boystomencs.com
